Bilateral Meetings

- (1:00 p.m - 6:00 p.m.)

Description

GENERAL DIES has been operating for over 55 years to the service of those industries that are interested in pelleting. We produce PELLET MILLS, COOLERS, SIEVES, CRUMBLERS and other related machinery for pellet production. We produce also spare parts such as DIES, ROLLER SHELLS, ROLLS for any kind of pellet mill on the market. With our machinery is possible to pellet: sawdust, biomasses, animal feed, compost, organic fertilizers, cereals mixtures, sugar beet pulps, hay, straw etc
