UNIONE COMMERCIALE LOMBARDA

<http://www.uclspa.it>

Bilateral Meetings

- (1:00 p.m - 6:00 p.m.)

Description

UNIONE COMMERCIALE LOMBARDA was founded in 1950 in Brescia (Italy). In the sixties, the Company managers, in order to fulfill the increasingly requirements of the market, decided to become direct producers. UCL produces oral, liquid and powdered veterinary drugs, nutritional products for livestock, sanitizers and biocides. In addition, our researchers have developed a range of probiotics and prebiotics for all animal species absolutely innovative in the world.
